Hi Pam, We are waiting on one last bit of data from one of the areas near Brewerton Road, but expect that to be in house today when we can make final decisions on hold/release. The group is meeting this week to discuss analytical results and take a look at the schedule for reporting.

Hi Todd, I'm just trying to get a better idea of when to expect the PDI report for Lower Ley Creek. Have you received the September's sampling results yet? Was it necessary to analyze the archived samples? When do you plan to submit the PDI report?

Thanks, Pam
